OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE,

Bangalore, 21st February *1931.*

24 Dno 1182

FROM

S. P. RAJAGOPALACHARI, ESQ., B.A., B.L., Muz 261-30-1
Muzrai Commissioner in Mysore.

To

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to Government of His Highness
the Maharaja of Mysore,
Financial *Department.*

SIR,

I have the honor to submit herewith in original for reference and obliging return letter dated 11th January 1931 received from the Secretary to the Board of Trustees of the Sri Subrahmanyaswami temple at Subrahmanya and a copy of my reply thereo, in the matter of ----- contributing a moiety of the cost of a Dharmasala proposed to be ---- constructed at Subrahmanyam by the Board of Trustees.

2. The Deputy Commissioner of the Hassan District has been --- repeatedly bringing to notice the inconvenience experienced by the devotees visiting Subrahmanya from the Mysore State as well as the officers who go there on duty for want of proper accommodation in -- the vicinity of the temple. Even so far back as 1922, Mr. T.L.Jayaram Iyer the then Muzrai Superintendent and Secretary to Government urged the construction of a Rest-house at the place on the vacant site made over to the Government of Mysore by the Temple authorities free of -- cost for this purpose. An estimate for Rs.5650/- was prepared and sent up to Government, who were pleased to observe in their letter -- No.280/Muz.29-24-2 dated 23rd August 1924 that it was not possible to find the funds required for the building ~~then~~ on account of the financial circumstances then existing. The question has been pending since then. In the concluding portion of para 39 of the Muzrai -- administration report 1929-30 it has been observed that the -------- possibilities of constructing a rest-house there will be examined and reported to Government separately.

opinion that there is real need for a Rest-house

at Subrahmanya as pilgrims from the Mysore State will be visiting the place throughout the year. It is said that as the --- temple is in the midst of a Jungle no accommodation is available there even on ordinary occasions. The difficulty is of course enhanced during the Shasti festival and other hetchukatle --- occasions. More over the Mysore Government officers and the staff deputed to supervise the Barahazar Santarpane are put to much inconvenience for want of proper accommodation locally. I beg therefore to recommend that administrative sanction for the construction of a Rest-house at the place on the site already secured for the purpose may kindly be accorded. The estimate prepared in 1924 will be got duly revised to suit present --- requirements and a revised plan and estimate will be submitted separately.

4. As regards the cost, I beg to state that the cost of - construction may be ordered to be met from the Chattram Savings Fund, as all the amounts that stood to the credit of the --- chattrams were added on to the corpus of the Fund. The ---- Chattram Savings Fund is in a stable condition and there will thus be no difficulty in finding the relatively small amount of about Rs.6000/- required for the purpose.

5. I solicit the favour of early orders in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Yeeraseega Rau

for MUZRAI COMMISSIONER.

Outstan i tures.

Raj . rya r.vin . r. .G. Bhoom ed inistr s - Muzrai Commissioner throughout the year cred t for a brief period when he was engaged on s ci l duty in connection with the enquiry into the Dowleswaram disturbances and Mr. A.K. Syed Tajuddin officiated during the period.

Mr. M. . Narasi ha Aiyangar, ssistant Co missi r continued to be in charge of the Muzrai cell of the office during the year under report.

The title of "Rajakarya Pravine" was graciously conferred on .r. . G. Bhoo ma by His Highness the Maharaja of Mysore on the occasion of the Dasara Durbar of 1 30.

2. The period of the appointment of .r. L.. . was specially authorised to investigate into cases of alienation or unauthorised enjoyment of Inam lands and to the Muzrai Institutions was extended up to the end of December 1930 with a view to enable him to complete the work carried out by him in the Shimoga District and undertake the investigation in the Mysore District. He visited Shimoga District up to the 17th July 1930 and thereafter took up work in the Mysore District. Mr. G. Seshiramaiah, Muzrai auditor who was, in addition to his usual work, doing the same work in seven other Taluks of the Mysore District, was appointed as assistant to the special Auditor w.e.f. 9-5-29 and instructed to work under the orders of the latter and conduct the enquiry on the same lines. The period also has been extended up to the end of December 1930.

The work in other Talukas which had been done by the Auditors in connection with the enquiry, viz., Sy of alienation or unauthorised enjoyment of Inam

to institutions in existence or d r not, have b en --- detected and needful recom endati ns made either to -- resume the inams to Jovern t or to r grant them to other deserving institutions in confo t lth the di ti ns laid d [illegible] March 1929.

Statement I[illegible] ded to this memorandum is a t r report of the investi li s carried by the Deputy Collector, Nilgiris District [illegible]

It is expected that the work of preparing the re- quisite, the resumption of the rent-free holdings will be completed substantially [illegible] will be placed in the settlement basis.

3. The abolition of the system of all Dharmadaya- varam i tenure at the enjoyment, and permanent tenure, and the resumption to be ef- fected by the Government to the Trustees by - ordering that the [illegible] shall be held, --- General and Revenue Authorities [illegible] The powers by the abolition of Dharmadaya [illegible] ss a change of a fundamental [illegible] the Dharmadaya [illegible] Government action is being [illegible] for hastened early. The [illegible] of the existing [illegible] Mallate established [illegible] as it had omitted mention of [illegible] conducted by private individuals. The Board of Revenue are being asked to [illegible] of the revision by the Dharmadaya and submit the same soon

With the publication of these manuals, much of the correspondence that is being now carried on in -- regard to daily practices and worship, will be minimised and the internal management of the temples will be considerably improved. There are a few more important temples, such as, Sri Kalaseswaraswami temple at Kalasa Sri Rishyasringeswaraswami temple at Higga, and Sri Rameswaraswami temple at Koladi, whose manuals have not yet been compiled and action will be taken during the next year to make similar compilations.

4. A compilation showing the Birudus enjoyed by the various Mathadhipathis in the State, the reception to be accorded to them on the occasion of their visit to Bangalore and also the parading of insignias by private individuals has been made and the same has been since -- approved by Government. Action is being taken to get it printed.

5. During the year under report, Government approved my predecessor's recommendation that an examination be held in the Mysore Religious and Charitable Institutions Regulation of 1927 and the rules framed thereunder as one of the Mysore Local Service Examinations. As the present Muzrai Manual which would serve as a text book for the examination does not contain all the recent -- orders and changes, consequent on the passing of the Religious and Charitable Endowments Regulation of 1927 and the rules there-under and copies of this manual are also exhausted, Government have ordered a revision of the manual and the work is progressing apace. It is hoped that this work will be completed in the course of the current year and will also be got printed so that copies may be available before the next examination.

6 Attention is being paid for the compilation of a small Muzrai Hand-book for each Taluk and definite --

definite recommendations on this board will be --- finalised and submitted to Government.

7 The two important and ancient temples, viz., Sri Kalaseswaraswami at Kalasa and Sri Bhramarambha swami at Kigga continue to receive special attention with a view to improve their resources and utility.

During the year, the Girijambha vigraha was restored in gold and installed in the temple at a cost of Rs.3000/- including all incidental expenditure, in place of the one which was stolen some 40 years ago. There was an agitation all along for the installation of a new gold one in place of the panchaloha vigraha which was done some years back and the preparation and consecration of a vigraha made of gold has given much satisfaction to the devotees. The jewels of the temple which were either repaired or newly prepared by the Indian Jewellery Emporium, Bangalore, under the supervision of the Inamdar Commissioner were sent back to the temple.

The following proposals are in various stages of consideration:-

(i) Construction of two cars at a cost of Rs.14,935/-

(ii) Construction of a chattram at a cost of Rs.4,420/- and a Veterinary Dispensary at a cost of Rs.2990/-

(iii) Drainage to Kalasa temple at cost of Rs.15,775/-

(iv) Granting loans to the extent of Rs.10,000/- to encourage people to build tiled houses at Kalasa.

During the year under report the old post of the small lorry was replaced by a contract cooly on the grade of a Bhajantri Sheristadar and this arrangement has considerably improved the administration of the institution. The services in the temple have been streamlined and the defects pointed out in the Inspection Note of the last Inamdar and the Inamdar Commissioner of Council have been rectified.

The services of the Forest blishment consisting of one Forester and two guards at a total cost of Rs.83/- p.m. were ordered to be continued. A sum of Rs.1',431/- was realized under Sandal Revenue during the year.

The Revenue Inspector of Sringeri was ---- entrusted to look after the affairs of the Sri Shringa-sringeswaraswami temple at Sringa ... allowance of Rs.10/- per mensem did to him was also continued. The long standing question about the management of the lease amounts payable by the lessees of the garden owned by the Rishyasringeswaraswami temple at Sringa was finally settled by Government Order No.285-9 mus 406-29-2 dtd 6.8.30 wherein it was decided that the lands should be given on a lease of 30 years to the present lessees on an annual increase of 8 annas in the rupee in the case of those who are paying cutta in cash and the lessees have agreed to these terms. Action is being taken to get ... or lease deeds from the concerned lessees.

6. During the year under report on the request of the Sarvadhikary that the properties of the Math outside the State were not being properly managed by the agents employed by the Mathadhipathi and that Government may be pleased to take over the management, Government were ---- pleased to sanction in their order No.359-60/ Mu.309-2-7 dated 28th October 1929 the assumption of management of the said properties outside the State, subject to the following conditions:-

(i) That the management will be in force for a period of 3 years;

(ii) That the Sarvadhikary should give an undertaking not to hold the Government responsible for any losses that may be alleged to have been caused by their management of the properties or for the acts done by their officers in good faith and

(iii) That payment of any specified allowance to ... --

the Zamindari cannot be stipulated as that such grant will depend on the net annual income of the properties.

In pursuance of the above orders, Sriman Sadasiva Murti, B.A., B.L., Sheristadar of the Senior Tahsildar's Court was appointed Government Agent of the said properties and he entered upon his duties on 2nd January 1930. The Zamindar executed a general power of attorney in favour of the Agent Commissioner who in his turn executed another in favour of the Agent. On a requisition from this office, the Government of Madras were pleased to issue instructions to the Collectors of Ganjam to render necessary help to the Government Agent in the management of the properties situated in their respective districts. The Government of Madras very readily complied with our request and issued necessary instructions in this behalf to the Collectors. The kind help rendered by the officers of the Madras Government in this behalf has been very useful in settling many long standing questions and disputes between the Estate and those who had transactions with it. The action of the Madras Government in this behalf is commended on all hands.

After the management of the Estate properties was taken over, the Estate was restored to the Zamindar in the year 1932, the affairs connected with the drifts in the Estate after the cessation of the Agency, so much so that the Estate itself could be sued in civil suits in British Indian courts and lost much of its legitimate income. Under instructions, the Agent toured in the several districts where the bulk of the Estate properties are situated and had a comprehensive survey of the position as it stood then. As a result of this kind of sustained efforts, the resources and the financial stability of the Estate have considerably improved. By careful husbanding of the available resources and by the renewal of leases on more favourable terms

terms etc., the income of the institutions now stands at Rs.27600/- against Rs.19300/-, it used to get when the management was vested with the Religious. After the settlement of some outstanding questions pending in civil courts and the improvement of some properties which has been taken up, the income is sure to increase further. Prior to the assumption of management by Government, the Jamindar had agreed to the tenants' entering into a compromise on behalf of the trust in respect of a series of suits that had been filed in the Sub Court to annul the conveyance for the construction of the present house of a certain plot of valuable ground measuring about 3 acres in Madras town, granted by one of the previous Maharajas and for the eviction of the present occupants on the strength of the Privy Council decision in Sri Vidya Varidhi Thirthaswamiyavaru Vs. P. Balaswami Iyer and others, and the appeal had arose from the Rajahmundry. As soon as the management was assumed by Government, the terms of the compromise were examined and it was found that it was not advantageous and the Mathe stood to lose the immense benefits it would have derived had the suit been pushed to a final decision. The Rajahmundry was posted for enquiry into the details of the suit on behalf of the Mutt under instructions to oppose the compromise as being unbeneficial to the interests of the Mutt. The court however ordered that the compromise already entered into by the Religious should be accepted and passed a decree directing the defendants to pay the capitalized value of Rs.18000/- for the land in question. Action is being taken to recover the amount.

Proposals for giving a regular scale of income to expenditure in the Mathe and the overall head establishment attached to it are under active consideration. A detailed report of the work done up-to-date has been submitted to Government separately and a copy of the same is attached as an annexure to this report.

9 In Government Order No.Ms-50/Hun.Rel-33-5 dated

dated7th August 1920, the powers of the Deputy Commissioners of Districts to dispose of leases of Baga et or oof se lands were increased so as to enable them to sanction the leases for periods not exceeding 10 years. The Mural Commissioner's powers of sanction was ----- similarly extended to leases not exceeding 30 years.

The ~~Chief~~ Deputy Commissioner of the Kadur Dt one again reasoned the necessity for long term leases in the case of waste lands as he considers that the Ryot cannot be induced permanently to invest any money on the improvements to the land but merely takes the fullest benefit out of the land without attending to the improvement of the land condition resulting in gradual deterioration and to the detriment of the income of the Institution. There is much force in his observations and the object of granting waste lands for long terms is being followed.

10 His Highness the Maharaja of Mysore to the Board of Commissioners for Coorg, the Collector of Bangalore, the Deputy Commissioner of Kolar and the Superintendent of Police, Bangalore.

The Commander-in-chief of India, Sir G. Birdwood, the Surgeon General, the Military Secretary, the Private Secretary, Aides-de-camp and Orderlies. The Resident in Mysore and Commissioner visited Kolar and Chenna Kesavalu Betta in two days.

The Collector of the Kolar District, Coorg, the Deputy Commissioner of Bangalore, the Manager visited all the major institutions in the city, a number of minor institutions as well as private residences for the purpose of collecting funds and in aid of the Institution.

" Sri Kantheswaraswami temple at Nanjangud

" Lakshminarasimhaswami temple at Devarayadurga

" Kalaseswaraswami temple at Kalasa

" Vishvasrishgeswaraswami temple at Kigga and institutions at Sringeri and Koppa in the Kopparkandi and a few important institutions in Chitaldrug District.

The inspection of institutions by the Deputy Commissioners of Districts and other local officers was on the whole satisfactory.

// The Boards of the Sri Uttaradi Mutt, the Sri Vothiraja Matha and the Sri Ghoudri Matha in the Tinnevelly District visited Kumbakonam during the year and also toured in many parts of the State. ~~~

Swamigalu will have completed his education by the end of June 1951, the question of deputing him to Sringeri to be under the tutelage of His Holiness the Jagadguru for a couple of years will be considered and definite recommendations sent up to Government in due course. Government have been pleased to increase the rent of the Matha building in Bangalore City let out to the Veda Maha Patasala from Rs.50/- to Rs.75/- per mensem and to direct that the amount be adjusted towards the loans due to the temple of Sri Kulaseswaraswami at Kalasa and the Nowl Krishna Seva Charities at Paschimavahini. The finances of the institution are not in a flourishing condition. With a view to improve the resources and to lessen the expenditure, as far as possible, an examination into the affairs of the institution is being made and definite proposals will be formulated and submitted for Government orders.

16. The Swamigalu of the Sri Avalli Matha continued to remain in Bangalore. The services of a Junior Pandit to help the Senior Pandit in his work and to assist the Swamigalu in his studies have recently been engaged. An examination in Sahitya and Veda portions was conducted and the examiners have expressed an opinion that the Swamigalu evinces great interest in his studies and that he will soon acquire a sound knowledge in all the essential Sastras. The Swamigalu is reported to be very strict in the observance of his Asrama Dharma and is performing his daily duties quite satisfactorily.

Collection of Customary Dharmadaya dues in certain of the Dharmadayas are heavily overdue. The Commissioner is pressing continuous attention the local officers. As soon as the parties have consented to forebore the proportion payment of certain sums, subsequently declined to do so; it is

23. The one of the following additional paraphernalia by the Devaswom of the Sri Bhagavathi temple was permitted by Government.

24 The affairs of the village as conducted by the Devaswom Committee within the temple have been -- systematised and the survey records of the area detailed by the Government assessor in connection with the abolition of jenmi have also been collected. The Devaswom Committee has the entitlement to possession of the properties to be restored to the Devaswom as there appears to be no need to continue the management. There are still some important questions, viz., encroachments, survey and boundary disputes of the Devaswom properties and the assessment on the cultivable waste lands of the Devaswom situated in the Talukas of Ernakulam and Chittur. The Devaswom has in several cases, received notices from the Revenue authorities demanding assessment on the cultivable waste lands which are claimed to be restored to the Devaswom. There are still

25 There are still other matters both in relation to the Devaswom properties to be the affairs of

of which leave much to be desired. As observed in last year's report the work of improving the Secular administration of these mathas is beset with --- considerable difficulity and delicacy. The presiding swamies owing to their exalted position and absorption in religious worship have not been able to bestow that attention in secular ---- matters which alone would conduce to efficient management of their properties with the result that those entrusted with the management have taken -- advantage of this situation and made the administration very unsatisfactory. However the redeeming (featu observed in last years report that the Swamies of several important matts used to consult the commissioner in matters relating to the administration of their estates and make use of the advice so ---- tendered to their advantage, continued during this year also. It is necessary in the interests of the efficient management of these public institutions ~~of the efficient management of these public institutions~~ more especially in a Hindu State like Mysore ~~ours~~ that restrictions similar to those ---- imposed under the Religious and Charitable Endowments Regulation of Madras on the mathadhipathies in the matter of furnishing their budget to scrutiny should be introduced early into our legislation. Proposals will be submitted during the course of the current year in this behalf.

As observed in last years report public -- opinion is becoming more pronounced against the management of these institutions and it is up to these mathadhipathis to respond to the growing consciousness of their disciples and submit themselves to such restriction as may be imposed upon them.

32 In view of the want of any fixed principle in regard to the levy of rent on Muzzi buildings constructed out, Government on the recommendation of the Muzzi Commissioner passed an order authorising him to levy rent according to the principles laid down in Government Order No.1775-1139-S dated 8th May 1937 but taken, in consultation with the Public Works Department.

33 In furtherance of the policy laid down in Government Order No.1806-J/Muz.133-37-12 dated 21st January 1939 in the matter of training of cadets in agricultural sciences, Government passed orders prescribing a syllabus of agricultural sciences for the 5 cadets selected for training in the three agricultural colleges and sanctioning a budget for the necessary expenditure for the current year from the Muzzi Central Fund. The supervision of the studies of the candidates selected for training in Kalyanpur was ordered to be entrusted to Dharmabhogya Vidyavardhini Sabha. Five students out of the two other persons selected for training in Anakapalle and two in Palkonda agricultural colleges on Rs.50/- and Rs.60/- respectively is reported that the said students are making satisfactory progress in their studies.

Working of the Special Schemes.

Muzrai Establishment Fund.

63 Government passed final orders in Pro.No. 146-7/Muz.222-29-7 dated 16th July 1930 approving the proposals submitted by the Muzrai Commissioner after reviewing the position of the Muzrai Establishment Fund during the triennium ending with 30th June 1929 to place the Fund on a permanent basis. The present annual income of the Fund, as revised will be Rs.27,567/- as per details in the margin. While observing that promotion action should be taken to improve the finances and wipe out the debit balances of some of the institutions which have not been able to pay their contributions to the Fund, Government have directed that no institution can be exempted from payment of contribution and that the arrears due from them should be recovered early. Further action to give effect to these directions is being taken. Instructions in connexion with the orders previously issued to credit the contributions ~~recoverable~~ recoverable from the institutions in the accounts of the respective Treasuries directly to the head "Muzrai Establishment Fund" have also been issued.

From institutions Rs.26,255/-

State grant. 1,312/-

In their order No.568-W/Muz.17?-27-10 dated 12th August 1929 Government directed that the ~~percentage~~ percentage levy for the Muzrai Establishment Fund need not be enforced in the case of institutions which have no banking account with the Treasury and the financial transactions of which were not directly administered by Government. In the same order it was also directed that in case of institutions which were in good condition, there was no need to insist upon regular being paid by the cultivating tenants of land lands as remuneration for the service rendered.

As regards the latter point, it was brought to the notice of the Collectors of

to the notice of Government that certain grievances or the inconvenience suffered from were brought to the notice of Government in the case of institutions whose income is below Rs.100/- p.m. that this rule provides for certain exemptions and is elastic enough to give the necessary relief in deserving cases and minimum re-construction in this rule was necessary. A circular for the guidance of Collectors of Districts might be allowed this discretion to give effect to such concessions either to specific institutions or to groups of institutions in which case the matter will have to be referred to Government without delay for their orders in each case.

These proposals were approved by Government in their order No.I (b-4)/41.3b3-b6-4 dated 16th November 1946.

The Board were requested to see and -- Mysore Dist Boards have recently brought to notice that the cost of primary education in rural parts and in particular in view of the several measures that are being inaugurated for the efficient working of the several classes of institutions and that the present establishment allowed to them is inadequate to meet the increasing work and responsibilities. They therefore pray that proper steps may be taken with a view to facilitate the easy introduction of Basic, which will soon be brought into force in the Province and that the present may be extended to the Lower Primary stage also.

Now that orders on the levy, enrolment, of contribution from the urban localities for the rural schools have been passed, the question of the revision of the rates of the recent enactment and of the possibility of a more-over will be considered and the suggestions made by the Boards in their letters under reply will be considered when the orders on the

sum of Rs.23,214-4-2 shown as reserve in para 7(b) of Government Order No.1475-73/Luz.271-25-2 dated 15th May 1933 has been added to the corpus of this fund and the investment of the sum of Rs.23,200/- in 5% loans will give an additional income of Rs.1160/- per year. The balances of such of the defunct institutions of the Bangalore District whose cases were finally disposed of were realised by the zamildars concerned by means of Remittance Transfer Receipts and incorporated in the Fund. The balances of defunct non-Hindu institutions are being credited to a separate sub-head of the General Muzrai Fund, a separate set of accounts being also maintained in Taluk offices.

It is hoped that with the completion of the investigations that have been started in respect of inams of defunct Muzrai Institutions and alienated inams of existing institutions, the corpus of the fund will be considerably improved and its scope of utility as a welfare measure extended.

Chattram Savings Fund. 65 The transactions of the Fund for the year 1933-34 resulted in a closing balance of Rs.3044-15-7 which was carried over to the current year. A budget providing for a total expenditure of Rs.53,112/- // against an income of Rs.7,70/- including the opening balance as sanctioned in Government Order No.3673-7/Z.Rs.35-38-3 dated 21st April 1950. The first instalment of Rs.4500/- was paid towards the construction of the Central Institute for Reflectives in Mysore under the authority of G.O.No.3541-3/ an. 49-29-1 dated 10-7-1949 and the amount was kept at the disposal of the Executive Engineer, Mysore. The payments to the Vidyarambha at Mysore and to the Kala Poshaka Sabha at Bangalore were continued during the year. The amount earmarked for the Teachers' Guild

proposed to be started at Chirmuliur for the relief of the unskilled labour, was considered to be utilised towards the cost of constructing a suitable building and the necessary sanction for the same was accorded by the Board of Commissioners for the Depressed Classes. A grant of Rs.1000/- was sanctioned out of the unspent amount to be distributed in the year for starting similar schools in Kilpauk and Chingleput which are under consideration of the Department concerned.

The question of abolishing the system of paying charges referred to in para 3.4 of Government Order No.1343-3/ no.809-27-1 dated 14th April 1928 has been considered and definite recommendations for the continuance of the aforesaid institutions and individuals who render services to Government have been submitted.

Painter nos of Case Books, Property Registers etc.,

66. The Criminal Case Books are being maintained fairly satisfactorily in all the taluks and considerable improvement is also noticed in the districts and taluks in the matter of maintenance of Criminal Records. The Inspector has suggested the adoption of the following measures for improvement of the existing system of maintaining the Case Diaries and other connected records. He has also suggested the introduction of a second book to be maintained in the Police Stations for recording the particulars of the cases referred to the Police by the Magistrates. The Inspector General of Police has agreed to the introduction of the second book and the matter is under correspondence.

The initial work in the several ~~xxxxxxxxxx~~ offices of the district has just been commenced to be carried out on a proper basis and it is yet to be systematised as in the case of the Treasury accounts. The auditors are employed not merely to point out defects observed as in the case of the auditors of the accounts department but to get them rectified in their presence and under their supervision so that their work even in this respect is considerably more than the work of an -- auditor of the accounts department. Added to this they have to do the departmental audit, similar to the audit conducted under the Inspector of Office systems and also pursue the rectification of the defects noticed, by correspondence with head quarters. The duty of the --- auditors outside Bangalore will therefore be by the -- major portion of the year and during the short period -- they will be at head quarters, they are required to -- maintain

The revision of the Rural Credit-cum Thrift Fund Grant register of Bangalore Taluk is being carried out, the revision of the cash grant registers being carried out to two Deputy accountants of the office.

There is no doubt that with the addition of the audit staff and the periodical inspections of the work in the Taluk offices the position will be improved and delay in the disposal of matters will

pertaining to the Muzrai institutions minimised.

The only way to systematise the work of the several subordinate offices is by a regular and systematic audit as per instructions contained above and a recommendation has been submitted to Government to make the establishment of auditors permanent and ~~is awaiting~~ Government orders are awaited

Part III.

Administrative details.

70 — The list of major and minor institutions in the state which was under preparation during last year and was completed and Government have been pleased to order in their Proceedings No.2074-5/Muz.416-26-7 dated 10th April 1930 that the same may be printed and distributed to all the taluks. Annexure ~~Statement~~ No. VI furnishes the details of several kinds of Dharmadaya institutions in the state. Each institution has been given distinctive No. over and above the numbers already observed.

Chattrams and rest houses.

71 — ~~The list of Chattrams and rest houses continued to be the same as in previous years in the Bangalore District.~~ On the Bangalore District, Pandi Kosambari and poultry in the Bangalore City has been a boon to travellers visiting Bangalore and the management of the institution is conducted efficiently by a committee of Dharmadarsis. So was the case with the Dharmada Doddapet Chetty Chattram in Aralepet and the one established by Doddy's chattram near the City Market. The Dharmadarsi's chattram near the Railway station continued to accommodate several travellers. In the Kolar District also, Kolar, Sivaiche Chattram at Bowringpet and Kona alli Chattram in the Chintamani taluks continued under the management of the heirs of the donors.

In the Tumkur District, the two chattrams one at Pavagada and the other at Tumkur are very useful to the public. The site of the old chattram at Sira which was granted to Vasseri Appanna and Subbanna of Bangalore has been used for the construction of a rest-house and is available for travellers. The Chattram at Pachi is, as per Government Order of 15-5-1927 treated as a rest-house. The monthly allowance of Rs.3-12-0 a month, paid out of the chattram savings Fund to one blind Basivi was discontinued owing to the death of the

the person. Blind Child Protection Centre -- continued to get Rs.50/- per month out of the interest Savings Fund. Each deserving child is endowed with a certain amount. The child is returned to the parents on fulfilment of certain conditions and the Parents have to deposit Rs.100/- to restore the building. The Committee decided that the money has been taken over by the Government and is now being used for other purposes.

It is contemplated to open Centres for -- rehabilitation of blind. Voluntary agencies will be given liberal grants-in-aid for the Centres, which will be run by the Social Welfare Department. The Jagirdar's Dharmasala at Mysore is endowed with Dharmadaya Inam village of Kurugalli, Mysore Taluk and other Kandaya lands. The average annual income is about Rs.8000/- per year and the objects of the charity often consist of giving clothes and food to the Nyragis and persons with occasional presentation of cloth and providing Travelling during the period of Sri Chamundeswari Hill Festival, Mysore and the Sri Ganjendra Sikhara Festival at T. Narasipura and giving offertory currency notes at the engagement of a Committee with the City Municipal Council. The Civil suit referred to in the last year's report is still pending decision in the District Judge's Court, Mysore.

The Ganjendra Mahadeva Chattram at Mysore which is managed by a committee with the President of the Municipal Council as Chairman is commonly used for all purposes.

The Choultry on the Biligiri Rangan Hills is being managed by the local officer on behalf of the Jagirdar.

The Civil suit filed by Puttaki Setty the adopted son of the late Chikkanayaki Setty to declare the Chattram and the portion of the Ajjarahi village endowed by the latter as his private property was dismissed by the District Judge, Mysore and the Chattram together with the other properties have been taken possession of by the Taluk Amanee Officer. Proposals for the future management of the Chattram are under consideration.

Kasaba Agraharam, now by this office to take over the management and control of the Devasthanam Kalale Agraharam as directed by Government vide their Order in G.O.No.RD 48-Miscellaneous-58 dated 20-8-59. Srinivasamurthy was however been nominated to continue the management and receipt of the rents, duties from the tenants subject to the conditions specified by the Government.

73 Mahomedan Institutions.

~~There are seven Mahomedan institutions in the state.~~ The Nawath Abdul Wahab ---- Khadri Nagar at Channapatna is the only major ------ Mahomedan institution in the Bangalore district and the affairs of this institution are being satisfactorily managed by a committee of management-cum-office. The management of both Nazarath-Ul-Auqaf and Nazarath Dargah Aulia Angala with their lands and other properties which recently had been taken over by Government will recently be restored to their --- respective managers.

A grant to the amount of Rs.3000/- was made by Government during the year for the construction of a mosque at Kanjanur in Kolar District from the State grant and the Hazrat Dargah fund set apart for repairs and construction work. The important Mahomedan institutions in the Mysore City are the Gunbad and the Masjid-i-Alla at Nazarbad and the Jama Masjid at Srirangapatna. The latter two are under the administrative control of the Assistant Commissioner Srirangapatna Division assisted by a committee of Nazarini-e-Auqaf. The total income of these institutions during the year was Rs.16,660-13-11 as against Rs.15,864-6-1 in the previous year, and the closing balance at the end of the year was as Rs.7000-6-8 besides an investment of Rs.20,000/- in the Government of India Promissory Notes. There were 140/- recipients on the rolls of the Srirangapatna charities as classified below and a total sum of Rs.8360-15-8 was disbursed to them during the year.

Class	Hindus.	Mahomedans.	Total.

2	7	22	32
3	35	72	107

The Nazarana and Dasturi fatehas were regulated as per rules including the important Urus of the late Hazrat Tipu Sultan and Hyder Ali Khan. The

The causes that led to the sudden stoppage of the usual remittance of Rs.50/- that was being made from the proceeds of the sale to Prince Gulam Mahomed F.C.S.I of Calcutta on the occasion of the annual Urus are under enquiry.

Among the local mission visitors to the Palace were H.E. [illegible] and party of [illegible] Khawaja[illegible], Secretary to British Resident in Mysore and [illegible]. It is reported that some of the members of the committee do not evince as much interest in the affairs of the institution. Proposals for reconstituting the committee are reported to be under consideration. The Gulam Fund is payable to the convenor H.E. H. after [illegible] for the personal interest he has been taking in the affairs of the Department.

74 The Prince Ghulam Khairity Fund Tyscre.

This scheme was started by H.H.the late [illegible] with a capital of Rs.1,65,000 invested in the [illegible]. The corpus of the charity is now Rs.1,76,000/- and the administration of which is being supervised by a committee with the City Superintendent, as President.

The No. of students of the charity are as follows

Taluq [illegible]	..	37
Pensioners	..	47

The income of the charity including the opening balance of Rs.24[illegible]-0-0 was Rs.10,070-10-2 and the expenditure was Rs.6201-11-3 leaving a closing balance of Rs.3868-14-11.

75 The Urus of the Tavarekere is the only important [illegible] institution in the Lady's State

District. [illegible] with extensive lands in the villages of [illegible] and Dattatreya [illegible] in addition to a cash [illegible]. The question of fixing a reasonable allowance to the [illegible] during the pendency of the [illegible] -- according the Subjudge's order -- submission of -- accounts of income and expenditure, addition of loan of Rs.2000/- sanctioned and paid to the Sajjada for certain additions and alterations to the Dargah building during the year under report.

76 The Seventh Hydari Urs at Gulbarga and the Jokshare at Yelgar were two important Mohomedan festivals which occurred - with a view to their proper conduct in the latter the Girls' School that was housed in the Dargah premises was transferred to the Jubilee Reservoir. The -- question of fixing a revised scale of the inality fee is under consideration.

77. Other matters of similar nature.

Annexure [illegible] 7 furnishes details of the expenditure, and the sums of moneys under (i) Life (ii) Hereditary (iii) [illegible] (iv) Miscellaneous.

A special allowance of Rs.5/- was sanctioned by the Inam Commissioner during the year for the maintenance of Agnihotra to one Ved Sastri of Hyderabad from the date of the Sri Gangadhareshwara Swamy Temple in the Chincholi Taluk.

It is to be noted that grant was made in the public interest of the two Bhaji ---- allowances on charity did the service and died the amount.

In the Mysore district three fresh stipend grants were issued during the year under hereditary grants to the heirs of the deceased in addition to the usual annual allowances.

8 Landlord grants.

There is no addition to the list of institutions which are entitled to free supply of water from Government lands.

The question is the "Kyasamballi Chinnappa Gowda" tank. The Below is under correspondence. It is reported that the grant of 5 acs. of assigned land for "Gandhaseva" in the Krishnarajanagar taluk at Holenarasipur was resumed during the year under report on the Government account. The matter is being enquired into separately. Out of the ---- allotted for the Narasimhaswamy Devasthanam at Belagola in Hg. of 3 additional were purchased and sent to the Mutt and temple at Belagola as usual. An extent of 51 Mutt had been supplied with assessment of Rs.369-3-0 in January 1940 on the enlargement of the amount of wet lands.

79. Inspection or supervision.
